Internet Minimum Advertised Pricing - IMAP

Our IMAP pricing policy is intended for consumers to purchase from internet dealers and reseller websites based on loyalty and customer care expectations. This policy is effective as of the effective date stated below, and supersedes all previous Minimum Advertised Pricing – MAP policies related to SKYFOOD products as of that date. This IMAP policy shall work under the following guidelines:

Products:

The Internet Minimum Advertised Price for all SKYFOOD products can be found on our current Price List.

This IMAP applies only to the advertising and sales of SKYFOOD products which are sold to U.S. customers in the United States via the internet.

This IMAP policy is not applicable to: 1) Any physical store location, 2) Any email newsletters sent to your customer database, 3) In print publications or on any other media.

Procedures:

You can choose to advertise and sell, at any price, any SKYFOOD product on the internet. SKYFOOD will not control advertising and selling prices on the internet.

- Advertising and/or Selling below IMAP Price:

It shall be a violation to this policy to advertise and sell or offer for sale a SKYFOOD product on the internet at a sales price below the internet minimum advertise price ("the IMAP"). Repeatedly re-pricing due to IMAP prices breaches by other internet dealers and reseller websites is not an acceptable justification for violation of this policy.

Sales Price shall not include the cost of shipping or tax. In order to avoid any doubt, customers may offer free shipping to end users, without impacting this policy.

SKYFOOD reserves the right to suspend the enforcement of this policy for certain products, as and when SKYFOOD in its sole discretion, deems appropriate (e.g. product closeouts, specials, etc.).

- Prohibited Advertising Methods:

SKYFOOD has written this policy in an effort to protect and communicate the expectations for the internet dealers and reseller websites. Therefore, SKYFOOD considers any of the following to be damaging to our brand and thus are not permitted by internet dealers and reseller websites that use our brand for advertising:

- a) Advertising SKYFOOD products on third party internet dealers and reseller websites at a price that is below the IMAP Price.
- b) Using split screen, side by side, or pop-up advertising to advertise any similar product other than SKYFOOD's in conjunction with offering a SKYFOOD product for sale.

c) Redirecting a customer searching for a SKYFOOD product to a product other than a SKYFOOD product.

d) Indicating or implying that a price that is below the IMAP price can be obtained at the online cart or checkout stage (e.g. "See price in cart", "Email for better price", "Click here for lower price", "Log in for price", "Add to cart for lower price", "Chat for price").

IMAP does not establish maximum advertised prices. All internet dealers and reseller websites may offer SKYFOOD products at any price in excess of the IMAP.

At the sole discretion of Skyfood, failure to comply with IMAP, intentional and/or repeated failure to abide, it reserves the right to put internet dealers and reseller websites account on hold, until prices are adjusted.

SKYFOOD can terminate or amend any part or all of this policy at any time without prior notice.

Return Policy

All returns are subject to the prior authorization of SKYFOOD, in its discretion. Buyer must contact Buyer Support at **305-868-1603, or by fax at 305-866-2704, or via e-mail at support@skyfood.us** in order to request a Return Authorization number ("RA") providing, along with the identification of the goods, a specific reason for return.
