# QUICK DOUGH MIXER AMR-15 AND AMR-25

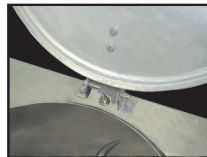

High speed rotation enables the production of uniform dough in approximately 8 minutes. Stainless steel bowl features an exclusive mixing system that kneads and tumbles the dough leaving it ready for the next step. A safety system prevents the machine from working when lid is open. Lid has a small opening in center to allow addition of ingredients during process. No-Bac baked enamel finish.

AMR-15 produces 200 lbs/h.

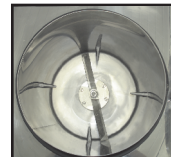

AMR-25 produces 330 lbs/h.

The bowl lid has a small opening to allow the addition of ingredients with the machine working.

A Safety System makes the machine stop when the lid is lifted.

Equipped with a moving mixing system that besides kneading and mixing the dough, also tumbles it.
