These elegant SKYFOOD Food Warmer Display Cases are designed to optimize product visibility while keeping foods at safe temperature. Because food appeal it is all that matters, these units include:

- Clean lines with high quality tempered glass all around for great visibility
- Internal LED light on top to enhance product appeal
- Stainless steel shelves and pans to hold different types of hot foods
- Tempered glass sliding back doors
- Thermostat control keeps foods at safe temperature all day long
- Internal humidifying system preserves foods with original texture and flavor

SKYFOOD's Food Warmer Display Cases are ideal for restaurants, convenient stores, snack shops, clubhouses, kiosks, concession stands and many other food retailers.
