

PCI-21G SS

22 MEAT GRINDER 1 1/2 HP

PCI-22G SS

22 MEAT GRINDER 2 HP

**Stainless Steel
Grinding Device**

SKYFOOD's model PCI-21G SS is powered by a 1 1/2 HP motor and PCI-22G SS by an oversized 2 HP motor. Both feature Stainless Steel grinding device. Gear driven transmission and heavy duty gear box ensure long life and dependable grinding. These table top Meat Grinders are perfect for medium and large production: rugged, reliable, compact, easy to clean. They are an essential piece of equipment for Butcher Shops, Restaurants, Super Markets and Meat Processors. Head and pan are easily removable for cleaning. Grinds 11-14 pounds per minute. Come standard with one knife and two plates 1/8" and 3/16.

Skyfood

PCI-21G SS # 22 MEAT GRINDER 1 1/2 HP

PCI-22G SS # 22 MEAT GRINDER 2 HP

Counter top applications in medium to large sized markets and meat operations. Gear driven units, running in an oil bath, use standard knives and plates. Both units come standard with one knife and two plates 1/8" and 3/16". Safety device disconnects power when pan is removed. Large guarded feed throat for fast feeding.
